

Good Afternoon!

I hope you'll consider joining us again in 2017 as a naturalist leader in one (or more) of our 3 bioblitzes scheduled for 2017. Once again, we're planning on 3-4 hour shifts with volunteers supporting your efforts.

This year we have blitzes planned for Durham, Stouffville, and King Township. Please share this email with anyone who may be interested in participating!

Whitchurch-Stouffville – May 27th from 4AM – Midnight

This beautiful oasis has undergone some stunning transformation over the years. Explore mature forests, young plantations, and meadow areas. The property is part of a much larger Regional Forest managed by the Region of York.

Nobelton – July 8th/9th from 4AM – 4AM

This is one of the Canada Bioblitz 150 Community Bioblitz Sites!

The Humber River is a Canadian Heritage River. As you sit on the banks and watch the water run, you can feel the history of this stunning landscape. This 400 acre + site offers something for everyone. Mature forests, historic rivers, wetlands filled with salamanders and frogs, fields of dragonflies and butterflies.
