

Dear members of Ontario nature,

On behalf of myself and many others who had the opportunity to go to the Ontario youth nature summit this year, I wanted to say thank you very much for sponsoring us. The workshops and speakers were absolutely incredible! I had an amazing experience, met lots of like minded people and came out of the weekend feeling inspired to make a difference in our drastically changing climate. I would highly recommend this event to all youth interested in the environment.

Sincerely, Sam Chasse
